*"Julie Gregson's expert assistance and input in helping place me at Westgate Health have been remarkable. With her level of expertise and professionalism, she has proven to be an experienced recruiter who patiently takes the time to fully understand her candidate's needs as well as fully support them in their queries throughout the recruitment process. It has been a pleasure to work with and be guided by Julie over the last few months. She possesses excellent communication and coordination skills together with an innate ability to instill confidence in her candidates. Her passion and commitment to her role are much admirable. I would highly recommend Julie and wish her and the whole team at Compass Corporate Services much success ahead."*

Julie joined Compass Corporate Services in 2020 as a **Senior Consultant**, where she is responsible for recruiting into the Elderly Care sector across but not limited to HR, Marketing and Sales mandates. Julie was formerly a Recruitment Manager at a UK-wide blue-chip recruitment specialist for more than 15 years, dedicated to the field of corporate services recruitment. Her continued success can be attributed to her **tenacity, transparency and understanding** in remarkable depth her clients, job briefs and candidate requirements. Julie uses both traditional recruitment methods for resourcing the passive candidate market **delivering the best talent available**.

Julie has been responsible for making some of the most senior corporate services appointments within the Elderly Care markets over the past 18 months, including the **Commercial Director of a national Homecare provider, Director of Business Development & Marketing for a Residential Care provider, Head of Sales & Marketing for an Elderly Nursing provider, and the Director of HR & People for a Neurorehabilitation Care specialist**.
